There's mingled joy and sorrow in the Table of Receipts for December, as recorded above. There's particular joy in the manner in which four of the Presbyteries of the Synod have responded to date, but the sorrow and regretfulness arises from the knowledge that five of them are far behind, especially four of them, and particularly two. There's additional regret in the observation that the giving per church member is still lower than that of a year ago, when last year it was thought that it was as low as it was ever going to be.

Comfort is found in the thought that there's another quarter of the church year ahead, and a bank holiday like the one experienced in March of last year will not occur to cut deep inroads into the amounts that ordinarily come to the Orphanage as the year closes, and which likewise made the first quarter of the current year almost $4,000.00 behind that of the previous year.

Winston-Salem has a habit of going ahead after the Thanksgiving Offering arrives and this year was no exception. It is the only one that has that honor. It will not take a great amount of giving on the part of Albemarle, Kings Mountain and Concord Presbyteries to also be placed in that category, for their totals at the end of the third quarter lacked only a few cents of equalling what was asked. **A year ago Winston-Salem Presbytery was 65 cents ahead. This year they are 44 cents ahead.**

The most phenomenal climb has been made by Albemarle Presbytery. A year ago that Presbytery was in sixth place, but it shot forward this year until it now serenely occupies second berth. As recounted before in these pages, it is believed that the accomplishment of this Presbytery this year is largely due to the energetic efforts of a group of people in New Bern, who have been "scouring" that territory, talking Barium to all of the churches. **A year ago Albemarle Presbytery was 24¾ cents behind, and this year are only eight cents behind.**

Kings Mountain Presbytery occupies the same position as a year ago, but their 1933-34 record is better. **Today they are 8¼ cents behind; a year ago they were 11½ cents be-**

LIST OF CHURCHES FAILING TO REPORT PERCEPTIBLY DECREASED THIS MONTH

Number Now is 98 Which Had Not Been Heard From on December 31st

BETTER NEXT MONTH

Quite a Few Will Be Stricken From List After January 31st

When the books were closed on December 31, 1933 at Barium, 98 of the churches of the Synod of North Carolina had not made any financial report to the Orphanage for the current fiscal year of 1933-34. This is a much better report than that of a year ago, but it is yet far from what the Orphanage would like to see. The list at the end of January will be decreased somewhat through the arrival of Thanksgiving Offerings in January from a number of these. When the year ended last March 31st, there were 70 churches in the Synod which did not report a thing to the Orphanage during 1932-33.

It is hoped by Barium authorities that individual members of these churches will see that something is sent to Barium before the year closes. Quite a few of them, it is thought, took Thanksgiving Offerings, and it is asked that individual members check up on these and see that they are sent to the Orphanage immediately.

If your church has given something, it hasn't been received at Barium, unless it has arrived since December 31st, and contributions during January will appear next month, with a hope that elimination of many names of churches from the list below will be possible.

The 98 churches follow:

Albemarle

Anderson, Berea, Bethany, Henderlite Memorial, Hollywood, Morton, Parmele, Roanoke, Spring Hill, Snow Hill.

Concord

'33 Thanksgiving Offering Over '32

On January 15th, the 1933 Thanksgiving Offering for the Presbyterian Orphans' Home passed the 1932 total of $27,910.35. The excess on that date was $23.20. The final total of the 1933 Thanksgiving Offering will not be known until the books are closed on March 31st, for Thanksgiving receipts continue to arrive up until that time. The records at Barium show that 41 churches, which reported Thanksgiving Offerings in 1932 totaling $652.94, had not sent in a report for 1933, and if these report similar amounts, the Offerings for '33 should be that much in excess. Some churches, too, will send in supplementary Thanksgiving responses.

Ten of the larger city churches showed an aggregate decline of $270.04 in the Thanksgiving Offering as compared with that of a year ago. Had these ten churches been able to give at least the same amount as in '32, the Orphanage would now be able to announce a Thanksgiving increase in the neighborhood of $3,000.00. The falling down of these ten churches represents the difference between a substantial increase and a small increase.

LIST GIVEN OF CHURCHES WHICH HAVE NOT REACHED THEIR LAST YEAR'S MARK

Amounts Needed to Equal Previous Year's Aggregate Are Also Recorded Below

SOME ARE CLOSE

One Quarter Remains in Which Those Churches Can Show an Excess

In contrast wth another list of churches in the North Carolina Synod is the one appearing below. Elsewhere in The Messenger is recorded the names of 219 churches which have either equalled or gone beyond their giving to the Orphanage in 1932-33, while the churches below are those which have one more quarter to increase their giving this year.

This number is 281. Some are close to a transference from this to the other list, and others are a long way from it, but there remains three months in which they can all equal the 1932-33 amount and the great majority of them should do it. As the months pass by, those which exceed their previous year's mark will have the honor of being recorded among those which in nine months of the twelve months of the year, went ahead.

It is hoped that individual members of the various churches below will extend their efforts during the final stretch of the church year. A little extra effort in the regular Sunday School giving, that of the Auxiliary, and appropriations from the regular church budgets will do much toward a hasty transfer from one list to the other.

Here's the 281 churches and the amounts they need to give between now and March 31st to equal their previous year's aggregate. Keep in mind that this includes only those contributions which arrived before December 31st, and not after that date. Those will be subtracted next month.

219 CHURCHES HAVE EITHER EQUALLED OR EXCEEDED AMOUNTS CONTRIBUTED IN 1932-33

This Has Been Accomplished in Three-Quarters of the Church Year

TWO GAVE THE SAME

Roster Includes 41 Churches Which Made No Report Last Year

Most gratifying to Barium authorities is the knowledge that 219 of the churches of the North Carolina Synod have already either equalled or gone beyond their 1932-33 giving to the institution. This is true at the end of the third quarter, and one additional quarter remains in the church year before it closes. As churches cross their previous mark they will be added to the roster below. Early January reports clearly indicate that the number of transfers will be large at the end of January. The aim is to have every one of the churches in this category before the final financial chapter is written on the current year.

Two of the churches, Eagle Springs and Four Oaks, in Fayetteville Presbytery, have given the exact amount in 1933-34 that they gave in 1932-33. They are not included in the list below, which contains the names of 217 churches which have shown some excess. In many instances, the increases over the previous year were unusually small, but there's another three months yet, and these may be enlarged as the year progresses.

Some people may consider it bad psychology to list these churches. However, officials at Barium are so proud of them that the impulse to do so cannot be restrained, and they are publishing the names on the theory that a little encouragement to these churches will make the final quarter even better.

It is an interesting observation that 41 of the 217 churches did not report anything to Barium in 1932-33; hence anything they sent this year was an increase over the previous one. That actually leaves 176 churches which have given more than last year, when this point is considered.

The distribution of these 219 churches, according to their Presbyteries, is divided between Albemarle 15; Concord 29; Fayetteville 37; Granville 17; Kings Mountain 15; Mecklenburg 29; Orange 25; Wilmington 34; and Winston-Salem 18.

The list of churches which have brought great joy to Barium people because of their excess response is as follows:

Albemarle

Ahoskie, Ballards Mission, Calvary, Falkland, Fountain, Howard Memorial, Jason, Kinston, Macclesfield, Mayo Mission, Nahalah, Pinetops, Robinson, Rocky Mt. Second, Wilson.

Concord

Bayless Memorial, Bethany, Bethesda, Cleveland, Clio, Concord Iredell, Concord Second, Elmwood, Franklin, Harmony, Kannapolis, Landis, Marion, Mooresville Second, Morganton, Newton, New Salem, Park Place, Patterson, Salisbury First, Salisbury Second, Sevier, Shearer, Sherrill's Ford, Shiloh, Statesville First, Stony Point, Tabor, Third Creek.

SUNDAY SCHOOL OFFERING GREATER THAN NOVEMBER; SOME INCREASES NOTED

This Was Contrary To What Had Been Expected By Authorities

NEW ONE STARTS

Others Notified Barium That Regular Amounts Begin In January

Contrary to expectations of Barium officials, the December regular offering of the Sunday Schools showed an increase over those of the previous month. It had been thought here that possibly the total would be even less than that reported in the December issue of The Messenger, because it was believed that the regular offerings would be included in those of Thanksgiving.

However, it is most gratifying that the contrary was true, and that more meals could be served to the children here last month through the Sunday School regular offerings than in November. Now that an upward swing has occurred, it is thought that the regular Sunday School gifts will continue to mount until they reach a new high peak for the current year. The largest amount was received in September, and it will not take such a great increase in the Sunday School giving to supercede that.

An encouraging element of the Sunday School response lately has been the adoption of the plan of giving a Sunday's offering per month by three Sunday Schools that have notified the authorities here, and no doubt there are others whose notification will come in the form of a contribution.

> The Sunday School of St. Andrews Church in Mecklenburg Presbytery, in December joined the ranks of the large number of Sunday Schools which follow the plan of giving one Sunday's offering per month to Barium. Their first offering was $13.25. Just think what this each month will mean! This brought the total increase in Sunday Schools following this procedure to 26 for 1933-34.
>
> Notification at Barium has been received that three Sunday Schools begin this plan in January. They are Bessemer City in Kings Mountain Presbytery, and Glenwood and Mebane in Orange.
>
> Are there any more?

Many of the Sunday Schools, too, have been contributing regularly, it has been learned, but the amounts have been coming to us through the Presbyterial treasurers, and no designation was made that it was from the Sunday Schools. These are being rapidly clarified, and most of the Sunday Schools have decided to send these special gifts directly to Barium (as they should be sent), thus avoiding the possibility of a division of these Barium offerings to all causes, as so often occurs, and also having them thus properly credited.

Meals which could have been served to the children here during the current fiscal year (based upon an average of ten cents per meal per child) follow:

June	8,252
July	9,425
August	13,238
September	13,419
October	12,678
November	10,717
December	11,519
January	?
February	?
March	?

(FORM OF BEQUEST.)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the Laws of the State of North Carolina,* (HERE NAME THE BEQUEST.)

Just A Few Headaches

Picnics would be glorious affairs if it were not for the ants and the gnats. Summer time would be a much more enjoyable occasion were it not for sunburns and mosquitoes. There seems to always have to be a "fly in the ointment".

So it is with us. In the midst of our grateful acknowledgments of the many fine things that come to us during the Thanksgiving and Christmas Season, there are still a few headaches intermingled. For fear these headaches might remain with us and become a chronic condition, we are passing them on to you. We think we will all feel better by having given them the air. Here are a few:

As you know, we have made an extra effort to enlist the aid of every church, every pastor, every officer in making this Thanksgiving a real worthwhile occasion that would see us well on the road out of debt. One of our representatives visited a minister and was discussing this situation with him. In the conversaton, this minister spoke proudly of the fact that his people had just made the largest contribution to one of the other church causes that they had ever made at any time, and just a little while later, in the same conversation, he said that he "would not think of asking his people to give as much for the Orphanage as they once did". Now, why the difference of the viewpoint?

One pastor made this report to Barium: "We have seven elders, nine deacons, and 248 members. At Thanksgiving, one elder, three deacons and twenty-one members responded to the Orphanage, leaving six elders, six deacons and two hundred and twenty-seven members who did nothing". If the campaign for Barium in that church had been conducted in a hap-hazard sort of way, such a response might not have been so significant. As it was, however, the minister wrote the name of a member on each envelope and the deacons distributed them to each member, and the minister made repeated appeals from the pulpit. And that happens to be the church that we have recently received a large number of children from. In fact, one of the largest family groups that we have in the Orphanage at this time. The total amount contributed by that church would not take care of the children from that church for three days!

One of the Presbyterial Orphanage Secretaries wrote in that a certain minister stated that he had "had no notice from the Synod about an offering at Thanksgiving for the Orphanage, so he preached a sermon on a different topic altogether and no appeal was made for the Orphanage".

If there are many ministers like that in the Synod, maybe we had better put on our Stewardship Committee again. Of course, that Committee was expensive, but it got literature out to the ministers at different times, notifying them of special collections. Of course we get our literature too, but it is not in the nature of an official order from Synod as this good friend seemed to be waiting for.

Another church from whom the Orphanage has received quite a number of children in the last fifteen years, has reduced its giving until it averages less than ten cents per member per year; and we can't even get a reply from a letter to the church as to why.

Ten of the strongest churches in the Synod reduced their giving at this Thanksgiving below that of last year (also a poor year) by practically $3,000. No, they were not bankrupt sections. Three of them were in towns where the church has not accumulated a debt, nor had any bank failures in some time. In fact, the material prosperity of the church or its membership doesn't seem to have any effect on this list of churches. Some of the churches in the worst plight, looking at it from a purely material standpoint, have made the largest advance in their contributions, and the church that leads the Synod and has led it for some years in per capita contributions, could hardly be found by a rambling Rolls-Royce!

In another church where special effort was made to interest all of the members in a real every-member contribution to the Orphanage, the effort was successful. The contributions were made and turned over to the treasurer; and everything seemed to be all right. But the treasurer sent the entire gift to the treasurer of the Presbytery, and forgot to specify that it was a special offering, and the entire amount was divided up and sent to the various causes, with only 7½% coming to Barium. (Why, oh why does a special contribution ever have to go through the hands of the Presbytery's treasurer?)

So much for the headaches! Now here's headache powders: more churches contributing than ever contributed before. A definite increase in the smaller churches. More Barium Alumni contributing than ever before.

We have no way of ascertaining just how many individuals had a part in the Thanksgiving Offering but we believe that more individuals took part this year than ever before.

Here is another powerful headache powder: it does not have to do with money, but it certainly makes up for a good many disappointments in other respects. We have just finished our mid-year Health Clinic. A doctor from Sanatorium was up to check over tubercular suspects. Dr. Herman, our own physician in Statesville, has been checking up also. The children are weighed and measured at this time; and we believe there is the greatest increase in weight of any time in recent years. Certainly, we have never had a more satisfactory check-up than at the present time. Some of the children showed remarkable improvement over a year ago, and if you get to thinking about this you will find that money headaches are inclined to disappear.

Next month we want to give you some figures, and if we can, compare just what activities seem to produce the most gains in stature.

Another thing that always helps to do away with headaches is the expressions of good will that come to us at the Christmas season. We wish we could acknowledge all the Christmas cards that come to us, but it would take up all the month of January to do that. They come in by hundreds and thousands. We are listing in the Alumni Column, the cards from old Barium Springs boys and girls, and this is just a small part.

We started out to fill up this column with headaches and got switched off after mentioning only three or four, and we suppose it's just as well. There are so many more pleasant things to think about than the unpleasant that we believe you had rather read about the pleasant ones.

Miscellaneous Gifts

NOTE: If you sent a gift other than toys and gifts for the children and we have failed to list it, please let us hear from you about it. Tell us just what was sent and the organization sending it.

To our many friends who sent Christmas gifts to the children, we send our most sincere thanks. Some of you we will be able to write to personally, but many others we can not reach for lack of proper addresses. To each of you from the more than three hundred children we send a great big wish for a happy and prosperous New Year.

ALBEMARLE PRESBYTERY
(Continued from Page One)

hind.

So did Concord occupy the same berth last year, but what a difference is seen in their giving as compared to last year's! It is believed here that the active work of one church, Salisbury First, and its challenge to the others had telling effect in the gifts. The First Church set a goal of $1,000, as compared to the amount slighly over $500 they gave last year, and last reports showed they were close to that goal. Their neighboring church, the Concord First, increased their Thanksgiving by almost $300 to send an even $1000 so that Salisbury First would not be ahead of them. As matters stand, Concord Presbytery this year is only 8¼ cents behind as compared with 17 cents behind last year.

It's a different story with the other Presbyteries. That of Mecklenburg and Fayetteville isn't as tragic as the others, though it's tragic enough. Mecklenburg held her fifth position, but their giving is less this year. They are 29¾ cents behind, a year ago it was 18½ cents behind.

Granville Presbytery follows Mecklenburg in the receipts per member, and it's a sad, sad story to that of a year ago. After December 31, 1932, Granville Presbytery was only 2½ cents behond; today they are 33½ cents behind.

Orange Presbytery dropped a notch in the rank, and dropped more than a notch in giving per member this year. Last year they were 22½ cents behind; this year it is 34½ cents behind.

Wilmington and Fayetteville Presbyteries are tied for the bottom place, though the latter's giving is slightly better than a year ago. Fayetteville last year was 49 cents behind; this year it was 48¾ cents behind—a quarter of a cent better. Wilmington was 44¾ cents behind last year; today it is 48¾ cents behind.

And the whole Synod is 25.8 cents behind the askings, as compared to a much better mark of 20.8 cents behind a year ago.

That's the story the Presbyterians of the Synod dictated this year!

ALUMNI NEWS

Miss Eugenia Patterson, who left us to take a position as home demonstration agent, has made a name for herself in Washington county where she is located. She is considered one of the finest of the agents in the state. Her work is untiring and she is devoted to the people with whom she works. However, we expected nothing different from a person of her character. We are all happy with her in her success.

Christmas always brings news of wedding bells. The engagement of Edna Jackins to Ellis Marsh Huntley has been announced. Edna will be married sometime the latter part of January. We understand that Mr. Huntley is a resident of Charlotte, where Edna lives. Congratulations, Edna, and we are waiting to see what the husband is like.

William Tudson of the class of '29, married. We do not know the name of the lucky woman, but we'll trust William's choice. Bring her to see us, William.

Jessie Roper and Marguerite Gaskill paid us a brief visit during the holidays. Ruth Spencer, who works in Morganton at the telephone office, came to see us.

Abbie Roper and Essie, both of whom are married, visited the campus during the holidays. We do not know the married names of these girls, so we ar ecalling them by their maiden names until we are further informed.

Sam Jackins was with us for a short visit. He is located in Shreveport, La.

News has been received from Bertie Craig Walker. She is living in Terrace, Penn.

Mary and Leah Hill are both married and living in Kinston.

Beulah Hll is now Mrs. J. M. Davis and lives in Council Bluffs, Iowa.

Mr. and Mrs. Marvin E. Woodward (Edna McMillan), Chapel Hill, announce the birth of a daughter, Edna Ann, on December 27, 1933.

Christmas cards were received from the following:

Rutherford (Buddy) Hewitt, Norfolk, Va; the Cable Family, Greensboro; Grover Miles, St. Louis, Mo.; Mr. & Mrs. Hal Clarke (Nettie Miller), Eufola; Walter Beattie, Charlie Sears, Charlotte; J. W. When Farmer Wheatley saw an ad in the paper: "For $5 we will tell you how to cure your horse of slobbering," he sent in the money. A few days later he received the information: "Teach him to spit."

Two Scotchmen went fishing with an understanding that the first one to catch a fish was to buy the "soda." One got a bite that almost broke his line, but refused to pull up. The other was fishing without bait.

There's mingled joy and sorrow in the Table of Receipts for December, as recorded above. There's particular joy in the manner in which four of the Presbyteries of the Synod have responded to date, but the sorrow and regretfulness arises from the knowledge that five of them are far behind, especially four of them, and particularly two. There's additional regret in the observation that the giving per church member is still lower than that of a year ago, when last year it was thought that it was as low as it was ever going to be.

Comfort is found in the thought that there's another quarter of the church year ahead, and a bank holiday like the one experienced in March of last year will not occur to cut deep inroads into the amounts that ordinarily come to the Orphanage as the year closes, and which likewise made the first quarter of the current year almost $4,000.00 behind that of the previous year.

Winston-Salem has a habit of going ahead after the Thanksgiving Offering arrives and this year was no exception. It is the only one that has that honor. It will not take a great amount of giving on the part of Albemarle, Kings Mountain and Concord Presbyteries to also be placed in that category, for their totals at the end of the third quarter lacked only a few cents of equalling what was asked. **A year ago Winston-Salem Presbytery was 65 cents ahead. This year they are 44 cents ahead.**

The most phenomenal climb has been made by Albemarle Presbytery. A year ago that Presbytery was in sixth place, but it shot forward this year until it now serenely occupies second berth. As recounted before in these pages, it is believed that the accomplishment of this Presbytery this year is largely due to the energetic efforts of a group of people in New Bern, who have been "scouring" that territory, talking Barium to all of the churches. **A year ago Albemarle Presbytery was 24¾ cents behind, and this year are only eight cents behind.**

Kings Mountain Presbytery occupies the same position as a year ago, but their 1933-34 record is better. **Today they are 8¼ cents behind; a year ago they were 11½ cents be-**

'33 Thanksgiving Offering Over '32

On January 12th, the 1933 Thanksgiving Offering for the Presbyterian Orphans' Home passed the 1932 total of $27,910.35. The excess on that date was $23.20. The final total of the 1933 Thanksgiving Offering will not be known until the books are closed on March 31st, for Thanksgiving receipts continue to arrive up until that time. The records at Barium show that 41 churches, which reported Thanksgiving Offerings in 1932 totaling $652.94, had not sent in a report for 1933, and if these report similar amounts, the Offerings for '33 should be that much in excess. Some churches, too, will send in supplementary Thanksgiving responses.

Ten of the larger city churches showed an aggregate decline of $270.04 in the Thanksgiving Offering as compared with that of a year ago. Had these ten churches been able to give at least the same amount as in '32, the Orphanage would now be able to announce a Thanksgiving increase in the neighborhood of $3,000.00. The falling down of these ten churches represents the difference between a substantial increase and a small increase.

LIST OF CHURCHES FAILING TO REPORT PERCEPTIBLY DECREASED THIS MONTH

Number Now is 98 Which Had Not Been Heard From on December 31st

BETTER NEXT MONTH

Quite a Few Will Be Stricken From List After January 31st

When the books were closed on December 31, 1933 at Barium, 98 of the churches of the Synod of North Carolina had not made any financial report to the Orphanage for the current fiscal year of 1933-34. This is a much better report than that of a year ago, but it is yet far from what the Orphanage would like to see. The list at the end of January will be decreased somewhat through the arrival of Thanksgiving Offerings in January from a number of these. When the year ended last March 31st, there were 70 churches in the Synod which did not report a thing to the Orphanage during 1932-33.

It is hoped by Barium authorities that individual members of these churches will see that something is sent to Barium before the year closes. Quite a few of them, it is thought, took Thanksgiving Offerings, and it is asked that individual members check up on these and see that they are sent to the Orphanage immediately.

If your church has given something, it hasn't been received at Barium, unless it has arrived since December 31st, and contributions during January will appear next month, with a hope that elimination of many names of churches from the list below will be possible.

The 98 churches follow:

Albemarle

Anderson, Berea, Bethany, Henderlite Memorial, Hollywood, Morton, Parmele, Roanoke, Spring Hill, Snow Hill.

Concord

LIST GIVEN OF CHURCHES WHICH HAVE NOT REACHED THEIR LAST YEAR'S MARK

Amounts Needed to Equal Previous Year's Aggregate Are Also Recorded Below

SOME ARE CLOSE

One Quarter Remains in Which Those Churches Can Show an Excess

In contrast wth another list of churches in the North Carolina Synod is the one appearing below. Elsewhere in The Messenger is recorded the names of 219 churches which have either equalled or gone beyond their giving to the Orphanage in 1932-33, while the churches below are those which have one more quarter to increase their giving this year.

This number is 281. Some are close to a transference from this to the other list, and others are a long way from it, but there remains three months in which they can all equal the 1932-33 amount and the great majority of them should do it. As the months pass by, those which exceed their previous year's mark will have the honor of being recorded among those which in nine months of the twelve months of the year, went ahead.

It is hoped that individual members of the various churches below will extend their efforts during the final stretch of the church year. A little extra effort in the regular Sunday School giving, that of the Auxiliary, and appropriations from the regular church budgets will do much toward a hasty transfer from one list to the other.

Here's the 281 churches and the amounts they need to give between now and March 31st to equal their previous year's aggregate. Keep in mind that this includes only those contributions which arrived before December 31st, and not after that date. Those will be subtracted next month.

219 CHURCHES HAVE EITHER EQUALLED OR EXCEEDED AMOUNTS CONTRIBUTED IN 1932-33

This Has Been Accomplished in Three-Quarters of the Church Year

TWO GAVE THE SAME

Roster Includes 41 Churches Which Made No Report Last Year

Most gratifying to Barium authorities is the knowledge that 219 of the churches of the North Carolina Synod have already either equalled or gone beyond their 1932-33 giving to the institution. This is true at the end of the third quarter, and one additional quarter remains in the church year before it closes. As churches cross their previous mark they will be added to the roster below. Early January reports clearly indicate that the number of transfers will be large at the end of January. The aim is to have every one of the churches in this category before the final financial chapter is written on the current year.

Two of the churches, Eagle Springs and Four Oaks, in Fayetteville Presbytery, have given the exact amount in 1933-34 that they gave in 1932-33. They are not included in the list below, which contains the names of 217 churches which have shown some excess. In many instances, the increases over the previous year were unusually small, but there's another three months yet, and these may be enlarged as the year progresses.

Some people may consider it bad psychology to list these churches. However, officials at Barium are so proud of them that the impulse to do so cannot be restrained, and they are publishing the names on the theory that a little encouragement to these churches will make the final quarter even better.

It is an interesting observation that 41 of the 217 churches did not report anything to Barium in 1932-33; hence anything they sent this year was an increase over the previous one. That actually leaves 176 churches which have given more than last year, when this point is considered.

The distribution of these 219 churches, according to their Presbyteries, is divided between Albemarle 15; Concord 29; Fayetteville 17; Granville 17; Kings Mountain 15; Mecklenburg 29; Orange 25; Wilmington 34; and Winston-Salem 18.

The list of churches which have brought great joy to Barium people because of their excess response is as follows:

Albemarle

Ahoskie, Ballards Mission, Calvary, Falkland, Fountain, Howard Memorial, Jason, Kinston, Macclesfield, Mayo Mission, Nahalah, Pinetops, Robinson, Rocky Mt. Second, Wilson.

Concord

SUNDAY SCHOOL OFFERING GREATER THAN NOVEMBER; SOME INCREASES NOTED

This Was Contrary To What Had Been Expected By Authorities

NEW ONE STARTS

Others Notified Barium That Regular Amounts Begin In January

Contrary to expectations of Barium officials, the December regular offering of the Sunday Schools showed an increase over those of the previous month. It had been thought here that possibly the total would be even less than that reported in the December issue of The Messenger, because it was believed that the regular offerings would be included in those of Thanksgiving.

However, it is most gratifying that the contrary was true, and that more meals could be served to the children here last month through the Sunday School regular offerings than in November. Now that an upward swing has occurred, it is thought that the regular Sunday School gifts will continue to mount until they reach a new high peak for the current year. The largest amount was received in September, and it will not take such a great increase in the Sunday School giving to supercede that.

An encouraging element of the Sunday School response lately has been the adoption of the plan of giving a Sunday's offering per month by three Sunday Schools that have notified the authorities here, and no doubt there are others whose notification will come in the form of a contribution.

The Sunday School of St. Andrews Church in Mecklenburg Presbytery, in December joined the ranks of the large number of Sunday Schools which follow the plan of giving one Sunday's offering per month to Barium. Their first offering was $13.25. Just think what this each month will mean! This brought the total increase in Sunday Schools following this procedure to 26 for 1933-34.

Notification at Barium has been received that three Sunday Schools begin this plan in January. They are Bessemer City in Kings Mountain Presbytery, and Glenwood and Mebane in Orange.

Are there any more?

Many of the Sunday Schools, too, have been contributing regularly, it has been learned, but the amounts have been coming to us through the Presbyterial treasurers, and no designation was made that it was from the Sunday Schools. These are being rapidly clarified, and most of the Sunday Schools have decided to send these special gifts directly to Barium (as they should be sent), thus avoiding the possibility of a division of these Barium offerings to all causes, as so often occurs, and also having them thus properly credited.

Meals which could have been served to the children here during the current fiscal year (based upon an average of ten cents per meal per child) follow:

June	8,252
July	9,425
August	13,238
September	13,419
October	12,678
November	10,717
December	11,519

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the Laws of the State of North Carolina,* (HERE NAME THE BEQUEST.)

Just A Few Headaches

Picnics would be glorious affairs if it were not for the ants and the gnats. Summer time would be a much more enjoyable occasion were it not for sunburns and mosquitoes. There seems to always have to be a "fly in the ointment".

So it is with us. In the midst of our grateful acknowledgments of the many fine things that come to us during the Thanksgiving and Christmas Season, there are still a few headaches intermingled. For fear these headaches might remain with us and become a chronic condition, we are passing them on to you. We think we will all feel better by having given them the air. Here are a few:

As you knew, we have made an extra effort to enlist the aid of every church, every pastor, every officer in making this Thanksgiving a real worthwhile occasion that would see us well on the road out of debt. One of our representatives visited a minister and was discussing this situation with him. In the conversaton, this minister spoke proudly of the fact that his people had just made the largest contribution to one of the other church causes that they had ever made at any time, and just a little while later, in the same conversation, he said that he "would not think of asking his people to give as much for the Orphanage as they once did". Now, why the difference of the viewpoint?

One pastor made this report to Barium: "We have seven elders, nine deacons, and 248 members. At Thanksgiving, one elder, three deacons and twenty-one members responded to the Orphanage, leaving six elders, six deacons and two hundred and twenty-seven members who did nothing". If the campaign for Barium in that church had been conducted in a hap-hazard sort of way, such a response might not have been so significant. As it was, however, the minister wrote the name of a member on each envelope and the deacons distributed them to each member, and the minister made repeated appeals from the pulpit. And that happens to be the church that we have recently received a large number of children from. In fact, one of the largest family groups that we have in the Orphanage at this time. The total amount contributed by that church would not take care of the children from that church for three days!

One of the Presbyterial Orphanage Secretaries wrote in that a certain minister stated that he had "had no notice from the Synod about an offering at Thanksgiving for the Orphanage, so he preached a sermon on a different topic altogether and no appeal was made for the Orphanage".

If there are many ministers like that in the Synod, maybe we had better put on our Stewardship Committee again. Of course, that Committee was expensive, but it got literature out to the ministers at different times, notifying them of special collections. Of course we get our literature too, but it is not in the nature of an official order from Synod as this good friend seemed to be waiting for.

Another church from whom the Orphanage has received quite a number of children in the last fifteen years, has reduced its giving until it averages less than ten cents per member per year; and we can't even get a reply from a letter to the church as to why.

Ten of the strongest churches in the Synod reduced their giving at this Thanksgiving below that of last year (also a poor year) by practically $3,000. No, they were not bankrupt sections. Three of them were in towns where the church has not accumulated a debt, nor had any bank failures in some time. In fact, the material prosperity of the church or its membership doesn't seem to have any effect on this list of churches. Some of the churches in the worst plight, looking at it from a purely material standpoint, have made the largest advance in their contributions, and the church that leads the Synod and has led it for some years in per capita contributions, could hardly be found by a rambling Rolls-Royce!

In another church where special effort was made to interest all of the members in a real every-member contribution to the Orphanage, the effort was successful. The contributions were made and turned over to the treasurer; and everything seemed to be all right. But the treasurer sent the entire gift to the treasurer of the Presbytery, and forgot to specify that it was a special offering, and the entire amount was divided up and sent to the various causes, with only 7½% coming to Barium. (Why, oh why does a special contribution ever have to go through the hands of the Presbytery's treasurer?)

So much for the headaches! Now here's headache powders: more churches contributing than ever contributed before. A definite increase in the smaller churches. More Barium Alumni contributing than ever before.

We have no way of ascertaining just how many individuals had a part in the Thanksgiving Offering but we believe that more individuals took part this year than ever before.

Here is another powerful headache powder: it does not have to do with money, but it certainly makes up for a good many disappointments in other respects. We have just finished our mid-year Health Clinic. A doctor from Sanatorium was up to check over tubercular suspects. Dr. Herman, our own physician in Statesville, has been checking up also. The children are weighed and measured at this time; and we believe there is the greatest increase in weight of any time in recent years. Certainly, we have never had a more satisfactory check-up than at the present time. Some of the children showed remarkable improvement over a year ago, and if you get to thinking about this you will find that money headaches are inclined to disappear.

Next month we want to give you some figures, and if we can, compare just what activities seem to produce the most gains in stature.

Another thing that always helps to do away with headaches is the expressions of good will that come to us at the Christmas season. We wish we could acknowledge all the Christmas cards that come to us, but it would take up all the month of January to do that. They come in by hundreds and thousands. We are listing in the Alumni Column, the cards from old Barium Springs boys and girls, and this is just a small part.

We started out to fill up this column with headaches and got switched off after mentioning only three or four, and we suppose it's just as well. There are so many more pleasant things to think about than the unpleasant that we believe you had rather read about the pleasant ones.

Miscellaneous Gifts

NOTE: If you sent a gift other than toys and gifts for the children and we have failed to list it, please let us hear from you about it. Tell us just what was sent and the organization sending it.

To our many friends who sent Christmas gifts to the children, we send our most sincere thanks. Some of you we will be able to write to personally, but many others we can not reach for lack of proper addresses. To each of you from the more than three hundred children we send a great big wish for a happy and prosperous New Year.

ALBEMARLE PRESBYTERY
(Continued from Page One)

hind.

So did Concord occupy the same berth last year, but what a difference is seen in their giving as compared to last year's! It is believed here that the active work of one church, Salisbury First, and its challenge to the others had telling effect in the gifts. The First Church set a goal of $1,000, as compared to the amount slightly over $500 they gave last year, and last reports showed they were close to that goal. Their neighboring church, the Concord First, increased their Thanksgiving by almost $300 to send an even $1000 so that Salisbury First would not be ahead of them. As matters stand, Concord Presbytery this year is only 8¼ cents behind as compared with 17 cents behind last year.

It's a different story with the other Presbyteries. That of Mecklenburg and Fayetteville isn't as tragic as the others, though it's tragic enough. Mecklenburg held her fifth position, but their giving is less this year. They are 29¾ cents behind, a year ago it was 18½ cents behind.

Granville Presbytery follows Mecklenburg in the receipts per member, and it's a sad, sad story to that of a year ago. **After December 31, 1932, Granville Presbytery was only 2½ cents behond; today they are 33½ cents behind.**

Orange Presbytery dropped a notch in the rank, and dropped more than a notch in giving per member this year. **Last year they were 22½ cents behind; this year it is 34½ cents behind.**

Wilmington and Fayetteville Presbyteries are tied for the bottom place, though the latter's giving is slightly better than a year ago. **Fayetteville last year was 49 cents behind; this year it was 48¾ cents behind**—a quarter of a cent better. **Wilmington was 44¾ cents behind last year; today it is 48¾ cents behind.**

And the whole Synod is 25.8 cents behind the askings, as compared to a much better mark of 20.8 cents behind a year ago.

That's the story the Presbyterians of the Synod dictated this year!

ALUMNI NEWS

Miss Eugenia Patterson, who left us to take a position as home demonstration agent, has made a name for herself in Washington county where she is located. She is considered one of the finest of the agents in the state. Her work is untiring and she is devoted to the people with whom she works. However, we expected nothing different from a person of her character. We are all happy with her in her success.

Christmas always brings news of wedding bells. The engagement of Edna Jackins to Ellis Marsh Huntley has been announced. Edna will be married sometime the latter part of January. We understand that Mr. Huntley is a resident of Charlotte, where Edna lives. Congratulations, Edna, and we are waiting to see what the husband is like.

William Tudson of the class of '29, married. We do not know the name of the lucky woman, but we'll trust William's choice. Bring her to see us, William.

Jessie Roper and Marguerite Gaskill paid us a brief visit during the holidays. Ruth Spencer, who works in Morganton at the telephone office, came to see us.

Abbie Roper and Essie, both of whom are married, visited the campus during the holidays. We do not know the married names of these girls, so we ar ecalling them by their maiden names until we are further informed.

Sam Jackins was with us for a short visit. He is located in Shreveport, La.

News has been received from Bertie Craig Walker. She is living in Terrace, Penn.

Mary and Leah Hill are both married and living in Kinston.

Beulah Hill is now Mrs. J. M. Davis and lives in Council Bluffs, Iowa.

Mr. and Mrs. Marvin E. Woodward (Edna McMillan), Chapel Hill, announce the birth of a daughter, Edna Ann, on December 27, 1933.

Christmas cards were received from the following:

Rutherford (Buddy) Hewitt, Norfolk, Va.; the Cable Family, Greensboro; Grover Miles, St. Louis, Mo.; Mr. & Mrs. Hal Clarke (Nettie Miller), Eufola; Walter Beattie, Charlie Sears, Charlotte; J. W. When Farmer Wheatley saw an ad in the paper: "For $5 we will tell you how to cure your horse of slobbering," he sent in the money. A few days later he received the information: "Teach him to spit."

Two Scotchmen went fishing with an understanding that the first one to catch a fish was to buy the "soda." One got a bite that almost broke his line, but refused to pull up. The other was fishing without bait.
